**business manager: calleen jack**

What is Harold Kleiner really like? It is not too hard to know. He has never been a man to burrow into an office and operate exclusively from there. No, Mr. Kleiner wants to be with and for the students. His comradeship and leadership make him a truly great man.

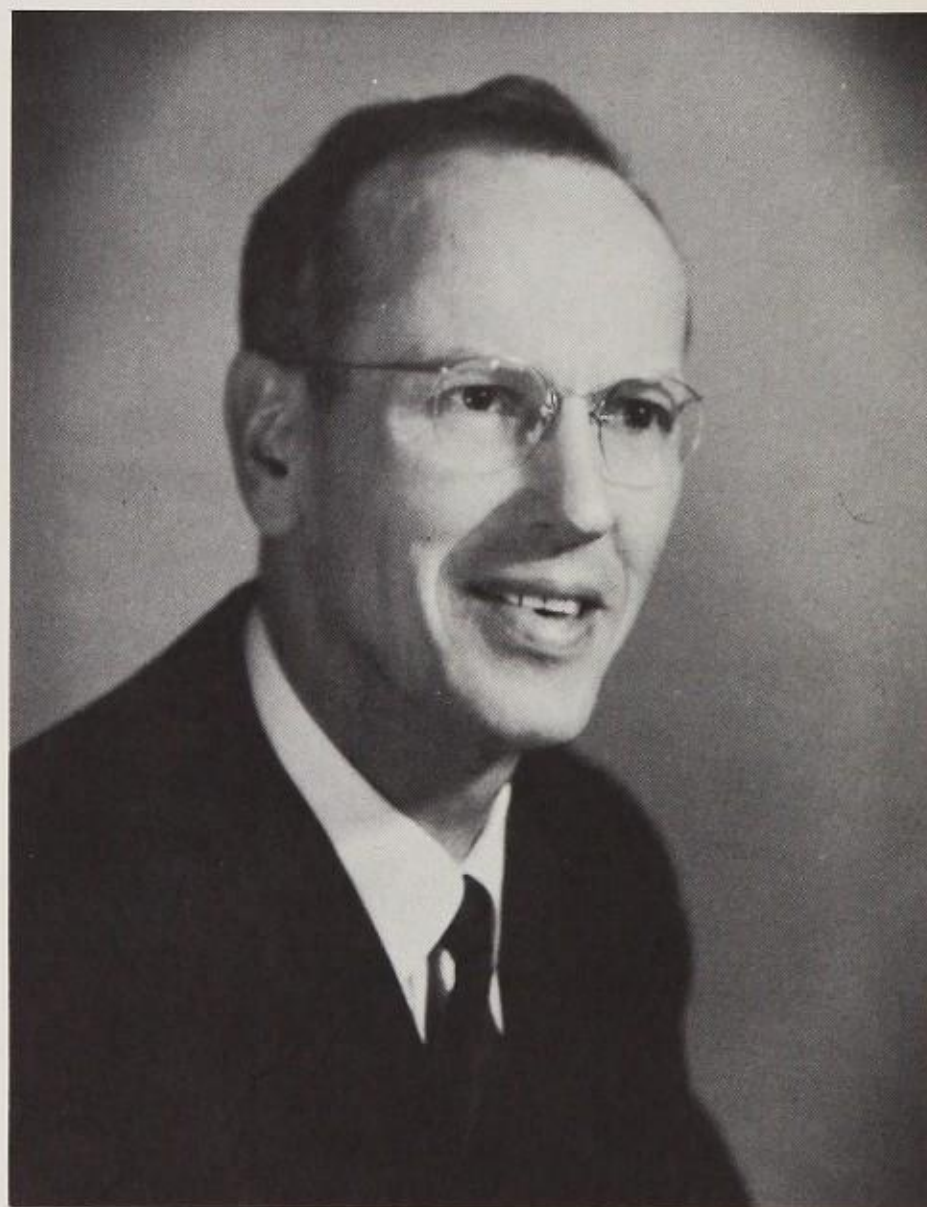

Mr. Kleiner has served this school as Vice Principal in charge of Curriculum, Vice Principal in charge of Administration, and, finally as Principal. He has dedicated twelve years to the betterment of educational processes for the students and teachers of Grant High. Mr. Kleiner was instrumental in requesting new additions to the building, and was the founder of the three lunch periods.

Our former principal has attended loyally all athletic programs. His avid support of all school sports is indicative of an enthusiasm and school spirit we should acknowledge and follow.

Mr. Kleiner has always gone out of his way to give encouragement, guidance, and information to the student who seeks it. His patience, understanding, and extreme devotion to the education and welfare of youth are characteristics that have earned him a new, more challenging administrative position.

Mr. Kleiner's understanding and interest will long be remembered, and his accomplishments and the spirit he has helped to generate will remain with us as long as the traditions of Grant High School remain.

For these reasons, we dedicate this book to Mr. Harold A. Kleiner.

The Class of Nineteen Hundred and Sixty-Five will leave a lasting imprint of outstanding leadership and accomplishment in the annals of U. S. Grant High School. It is all too easy to follow along traditional paths, but you, as a class, chose to travel un-chartered roads. You have been creative, stimulating, and resourceful. You have made outstanding contributions in every area of scholastic endeavor. In every sense you have been a credit to yourself and an asset to the school.

It is the sincere hope and desire of the faculty and administration that the knowledge, skills, understandings, and appreciations that we have tried to inculcate in you will prove to be of invaluable assistance to you in the world "beyond Grant." Our best wishes will follow you.

Theodore C. Harding

## retiring faculty

Miss Hildegard Wichmann has taught foreign language courses since Fall, 1927. Miss Wichmann has been Head of the Language Department and Advisor to the Spanish Club. Upon retirement, she will tour Europe with her sister. The Grant High students and faculty join in wishing Miss Wichmann the best retirement possible.

## fall executive council

**pres. richard shimomura      v.p. pat casey**

The Fall Term got off to a good start with Orientation Day. The participating Seniors enjoyed the day as much as the Freshmen, and the event was termed a success by all. The following activities proved equally successful. Grant won a decisive victory over arch-rival Jefferson in the annual Student Body Card Contest. The UGN Drive brought forth the same enthusiasm from the Student Body. Highlighting the drive were the reg room drive, the Powder Puff Football Game, and the "Beautiful Baby" Contest. Grant earned over \$1300 and city-wide acclaim for its effort. The Boy's and Girl's Leagues enjoyed a term of fun and participation, too. The Boy's League Golf Tournament and Girl's League Week were enjoyed by many Grantonians. Jointly the leagues ended their term with the Battle of the Sexes. An assembly to honor Mr. Kleiner ended the Fall Executive Council Term.

## spring executive council

**pres. nick honchariw**

**v.p. linda coble**

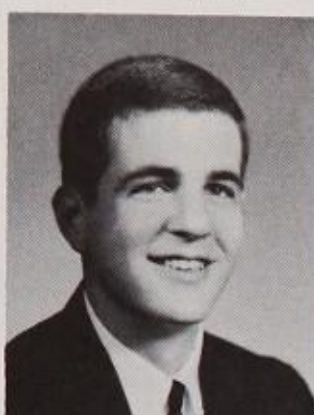

This year's spring term was highlighted by a highly successful event, both in terms of money raised for the American Field Service Program and in Student Body participation. Other activities planned during the term included a Boy's League Week featuring a bowling tournament, a golf tournament, and intramural activities. Both the Girl's League and the Boy's League were highly successful in activities, and the Girl's League Valentine card sale turned out to be one of the term's most enjoyable projects. Besides these varied activities, the Carnival also dealt with more serious issues. One of the tangible results produced by the Spring Carnival was a booklet explaining student government at Grant. It was created in the hopes of clarifying many ideas concerning our student government, and it, like most activities, was also designed to promote greater interest by its Student Body in their school.

# exchange students

## ann herzog

Last summer for two months I was fortunate to be able to live with a Brazilian family. Before I reached my home, I visited my new Brazilian grandparents in Rio de Janeiro. My new city of 800,000 people, Fortaleza, was located along the coast in the NE corner of Brazil just below the equator. Because the weather was always so nice, there were many beach activities, parties in the outdoors, and family outings every Sunday.

Although most of my family spoke English, we thought that it was important that I learn their language, Portuguese. It was quite an experience sitting in a room in a strange country, with a new family and different friends, who were speaking an entirely different language. It wasn't long before I became a part of this warm and friendly family. For the first time I had brothers and sisters: Walter, 19; Bebel, 17; Fernando, 13; and Fatima, 11.

My father owned a prosperous hardware store. My mother, a housewife, took an active part in community activities.

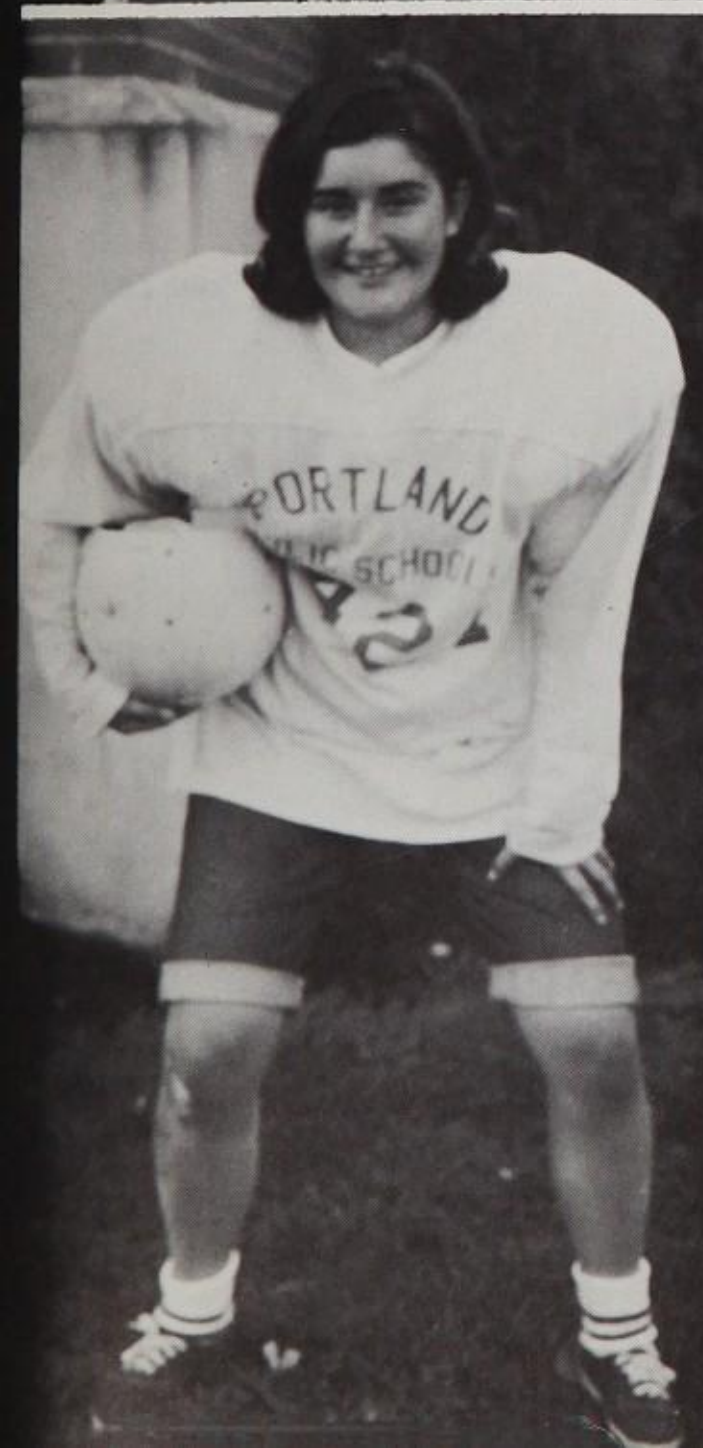

Living with this family and speaking with the people gave me an insight into this magnificent country. In my heart I feel something special for Brazil, and I consider it my second home and country.

# armagon kösemen

I begin to believe in people who say, "Time passes quickly". For awhile, I could not get over the fact that I had already spent more than half of my stay in Portland. Six months have seemed so short to me because I was welcomed so heartily and accepted and helped. In my adjustment period there were so many people that offered to help me. This friendliness especially prevailed at Grant, which seemed so huge and crowded. Each of you Grantonians, and my American family, the Sedell's, have made this a successful year for me; one I will never, never forget. However, I do not know if I was successful or not as an exchange student, just from judging my one year in Portland. I have not reached my goal yet. After my return to Turkey, I will act as a hostess to a Grantonian who will be coming to pay back my visit to Portland!! The result at my house in the future will signify my success. Good-bye and love to all!

# christina lim

It is unbelievable how time has flown by so very quickly. My year in the United States is almost up, but I will never forget the enlightening experiences I had here.

I hope that I have represented my country well and that I will bring home to my people an understanding of Americans and their way of life. I have come to realize that everyone is basically the same no matter what their cultural differences may be.

It is with much regret that I have to say farewell to my American family and the numerous friends I have made through the year. A common desire of all A. F. S. ers is to return someday to see their friends again, and mine is no different.

I would like to convey my heartfelt thanks to the American Field Service, the faculty and student body of Grant, and last, but not least, my American family who have made my stay here possible.

# betty nyholm

Actually, I'm not an A. F. S. exchange student, but as an exchange Lucia, I feel like one. The Scandinavian Men's Club in Portland are the only ones in the U.S. who elect a Lucia Bride and send her to the Scandinavian countries. Then instead of all the Scandinavian Lucias coming to the U.S., the Club picks one to represent them in all the beautiful Rose Parade in Portland.

Lucia is the symbol of charity in Finland. Since it was my privilege to come to the U.S., I have come to realize more than ever the meaning of charity as it has been demonstrated to me not only by the Scandinavian Men's Club, but by my family, Mr. & Mrs. G. T. Murphy, who have shown it to me through kindness and loving care. This wonderful year at Grant High has gone so fast because of all the interesting subjects and activities which we don't have in Finland. I want to thank all of you so much for the friendliness you have shown me this year. Thank you again.

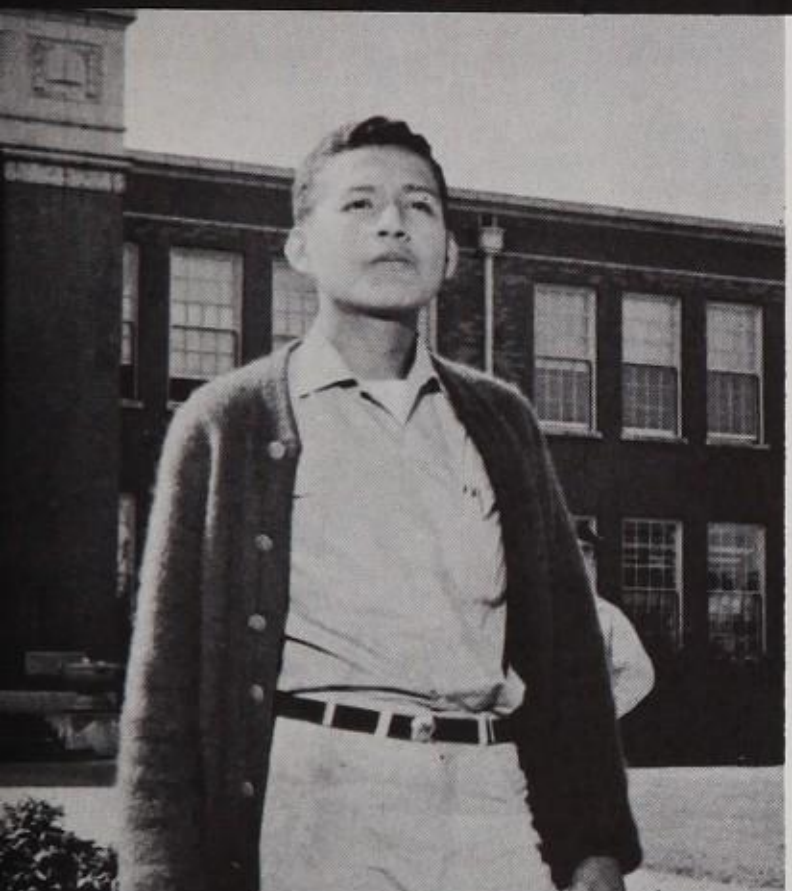

# carlos bravo

My year in the United States with the Boone family and all my many friends at Grant has been an exciting one that I will never forget. When I return to Ecuador I will often think of my wonderful year at Grant.

League, Undecided

## in memoriam

Miss Ruth Dundore has long been an inspiration to those girls interested in physical education. Such dedication to the educational process is a rare and beautiful thing. She was loved by faculty members and students alike. The loss we feel is great. The memory of Miss Dundore will long live in each of our hearts.

Joe Finders, of the class of 1967, is remembered as a likeable boy who had many friends at Grant. He enjoyed athletics, being on the Freshman Football and Basketball teams, and was an active member in the Boy Scouts of America.

## GRANT 0 JEFFERSON 0

Grant and Jefferson, both rumored as playing bad opening games, made this year no exception. A 0-0 tie was the result of forty-eight minutes of grueling battle on the hot gridiron. The game was an example of the fine defense possessed by both teams and maintained throughout the season. Another contributing factor to the deadlock was the inability of the high-scoring Grant offense to put itself in gear. This was manifest by the numerous fumbles and interceptions in the game, probably attributed to the high tension typical of this rival game.

## GRANT 13 CLEVELAND 7

The mighty General's touchdown machine turned on to produce the season's first victory against Cleveland. The score, 13-7, was the least measure of Grant superiority, as the Indians were outclassed in every aspect.

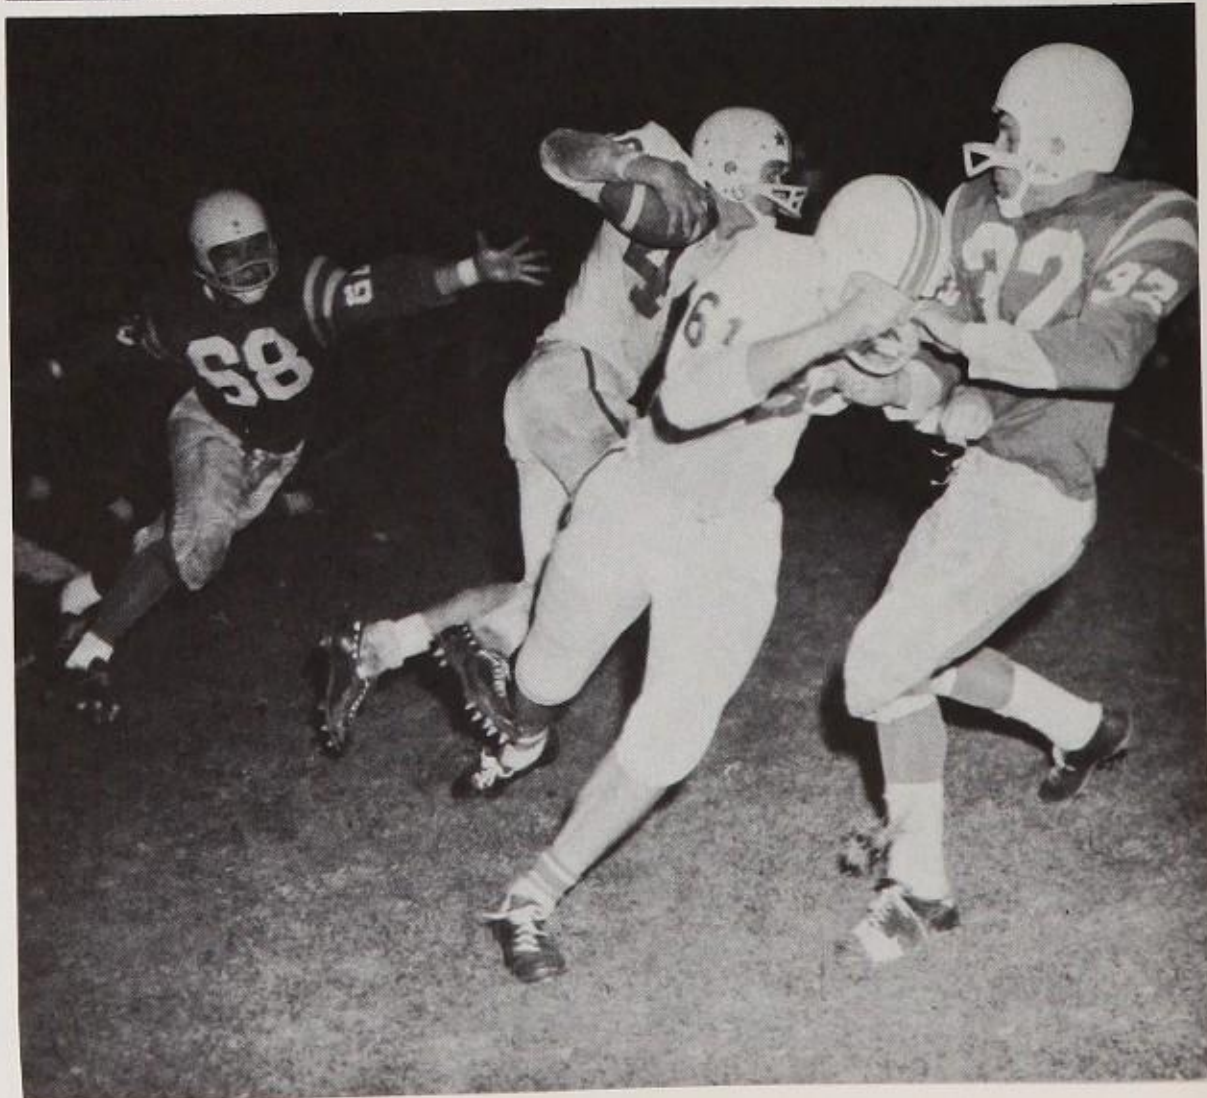

The end zone action came only during the second quarter. Grant led with a touchdown at the beginning of the quarter, followed by a Cleveland touchdown and successful extra point kick. Behind by a score of 7-6, the G-Men got tough. One minute before half-time, command was regained with an added seven points. No further scoring was recorded during the game, although one Grant touchdown was called back because of a penalty.

## GRANT 51 WASHINGTON 0

It was in the third contest of the season that the scoreless Washington Colonials fell prey to the fearsome Generals. The Washington end zone rendered itself helpless against the frequent blows of the Grant offense.

The first twelve seconds of play were all Grant needed to get a big seven points. This was followed by thirteen points to make a first quarter score of 20-0. And the scoring rolled on with another Grant touchdown and safety before halftime. The second half of play was merely the icing on the cake. Before Washington's battle was over, three more end zone romps broke loose, delivering a 51-0 defeat to the Colonials.

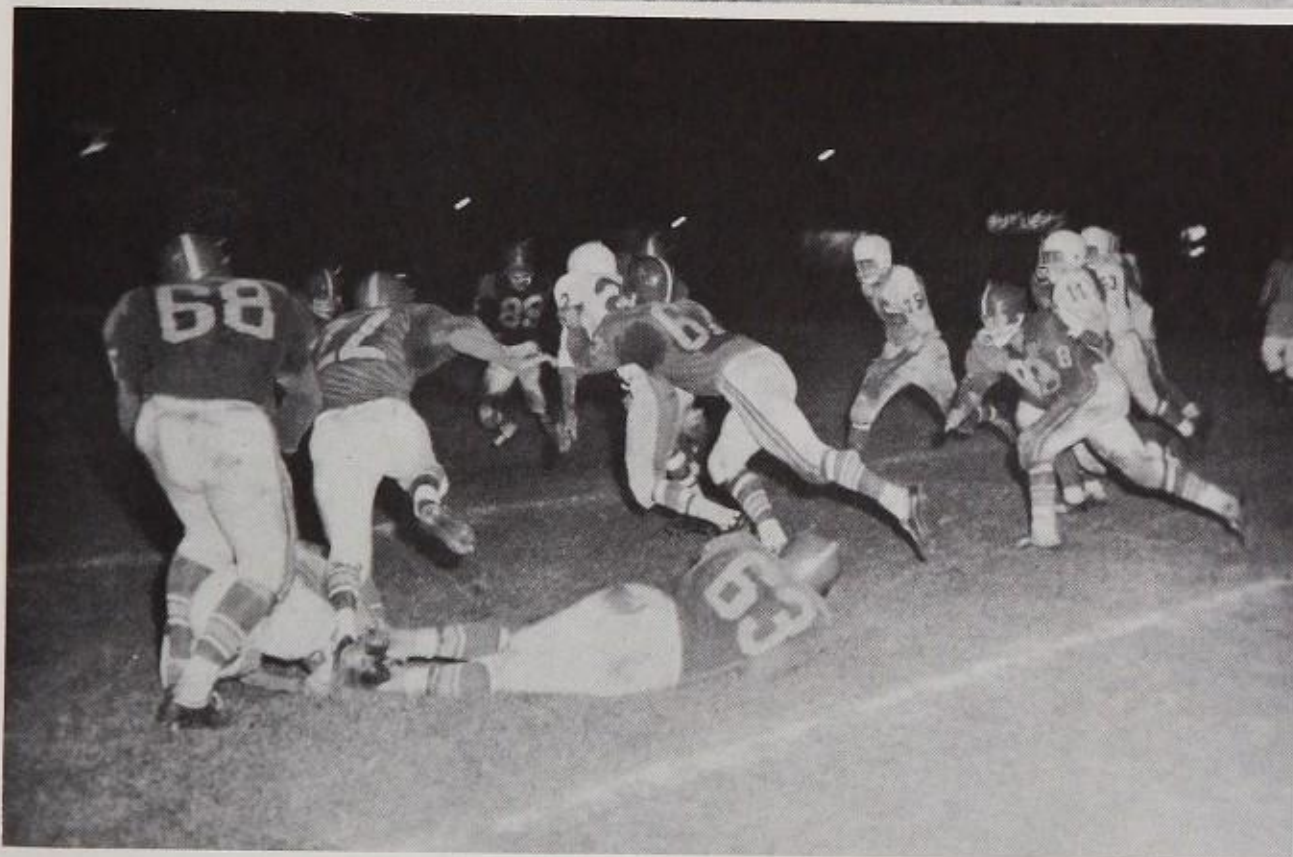

## GRANT 26 MARSHALL 12

The most thrilling game of the season was played on the Marshall field, both teams being previously undefeated. The Generals, getting off to a slow start, trailed at halftime by a score of 6-0. The confident G-Men fans waited for the third quarter to take command, only to be shaken with another Marshall touchdown.

Going into the fourth quarter behind 12-0, the Generals came alive. Combining interceptions, recovered fumbles, and a magnificent offense, it took five short minutes to take the lead by 20-12. Then, to pour salt on the wound, a fumble was recovered in the final seconds of play and combined with a forty-six yard touchdown run to make the final score Grant 26, Marshall 12.

## GRANT 14 MADISON 0

"Five yards and a splash of mud" was the method used against Madison in the Generals' fifth battle. Persistence, long suffering, and diligence led the G-Men to their third shutout of the season.

A touchdown run set up by an intercepted pass gave Grant scoring honors once again, leading at the half 7-0. The third quarter was fruitless for both teams, and it wasn't until late in the fourth quarter that the finale was made. Another intercepted pass was converted into seven points as the Senators lost sight of all preconceived victory hopes.

## GRANT 35 ROOSEVELT 6

Grant's fourth foe, Roosevelt, also proved to be a minor challenge. With the offense running strong and the defense flexing, the Teddies were defeated impressively.

In the opening seconds of the game, the kick-off was returned all the way for the first scoreboard tally. The action was repeated twice more in the second quarter for a halftime score of 21-0. Roosevelt came back to score in the third quarter on a pass play. The Generals answered back with two more touchdowns in that quarter. That's all she wrote for that game as both teams went through the final period scoreless.

## GRANT 14 FRANKLIN 7

Franklin also turned out to be no push-over for the Generals, but nonetheless they rose to the challenge. With the Generals being thoroughly accustomed to playing on the home field of the opposition, this factor was of no great consequence.

After a scoreless first quarter, Grant struck with a touchdown set up by a 26-yard punt return. Franklin retaliated shortly thereafter to tie the score at the half, 7-7. The third quarter was also scoreless, but in the fourth quarter the Quakers began to slip. Able to run only seven plays to the General's twenty-three cost Franklin their losing touchdown.

## GRANT 26 BENSON 0

Grant's passing game was responsible for shutting out the Benson Engineers. Scoring in every quarter but the fourth, the G-Men had little trouble on the road to victory.

Scoring once in the first quarter, and twice in the second, the game was pretty well sewed up at the mid-way point. Only in the third quarter was a score made on a run, completing the touchdown tallies for the game. As a tribute to the tremendous defense, this game was the General's fifth shutout of the season. At this point, the G-Men were averaging twenty-nine points per game, leading the league for good in total points scored.

## GRANT 14 WILSON 13

The two top-notch teams took turns scoring, with Grant leading off in the first quarter. Then Wilson struck half way through the second period on an eighty-seven yard drive. Five plays later, Grant exploded with a fifty-nine yard run to pay dirt. But Wilson was not dead yet. With 90 seconds left in the half, Wilson completed the scoring for the game. By failing an extra point kick, the Trojans surrendered the championship to the talented Generals.

## state play-offs

### GRANT 13 WY-EAST 7

The first play-off encounter the G-Men faced was against Wy-East. Playing on the frigid turf at Odell, Oregon, the Golden Eagles posed little threat to the powerful Generals. Gaining an early 7-0 lead early in the first period, the P. I. L. kingpins started off impressively. It wasn't until the final period that the scoring was completed. Grant came through again with another TD, followed shortly by a Wy'East tally. Time ran out with the Generals still in the race for state.

### GRANT 6 GRANTS PASS 20

Finally, having battled successfully to the second play-off game, the Generals met their Waterloo. Playing on a totally unknown and strange field in a damp, freezing, thick fog, and with ninety per cent of the rooters against them, the G-Men faltered. Down 13-0 at the half, hope was lost. Grant's Pass scored again in the third quarter, matched by Grant's only score. No scoring was done in the final period, and the G-Men were finished. Grant's Pass went on to take the state championship.

## J v football

## city champs

Coach Hennessy

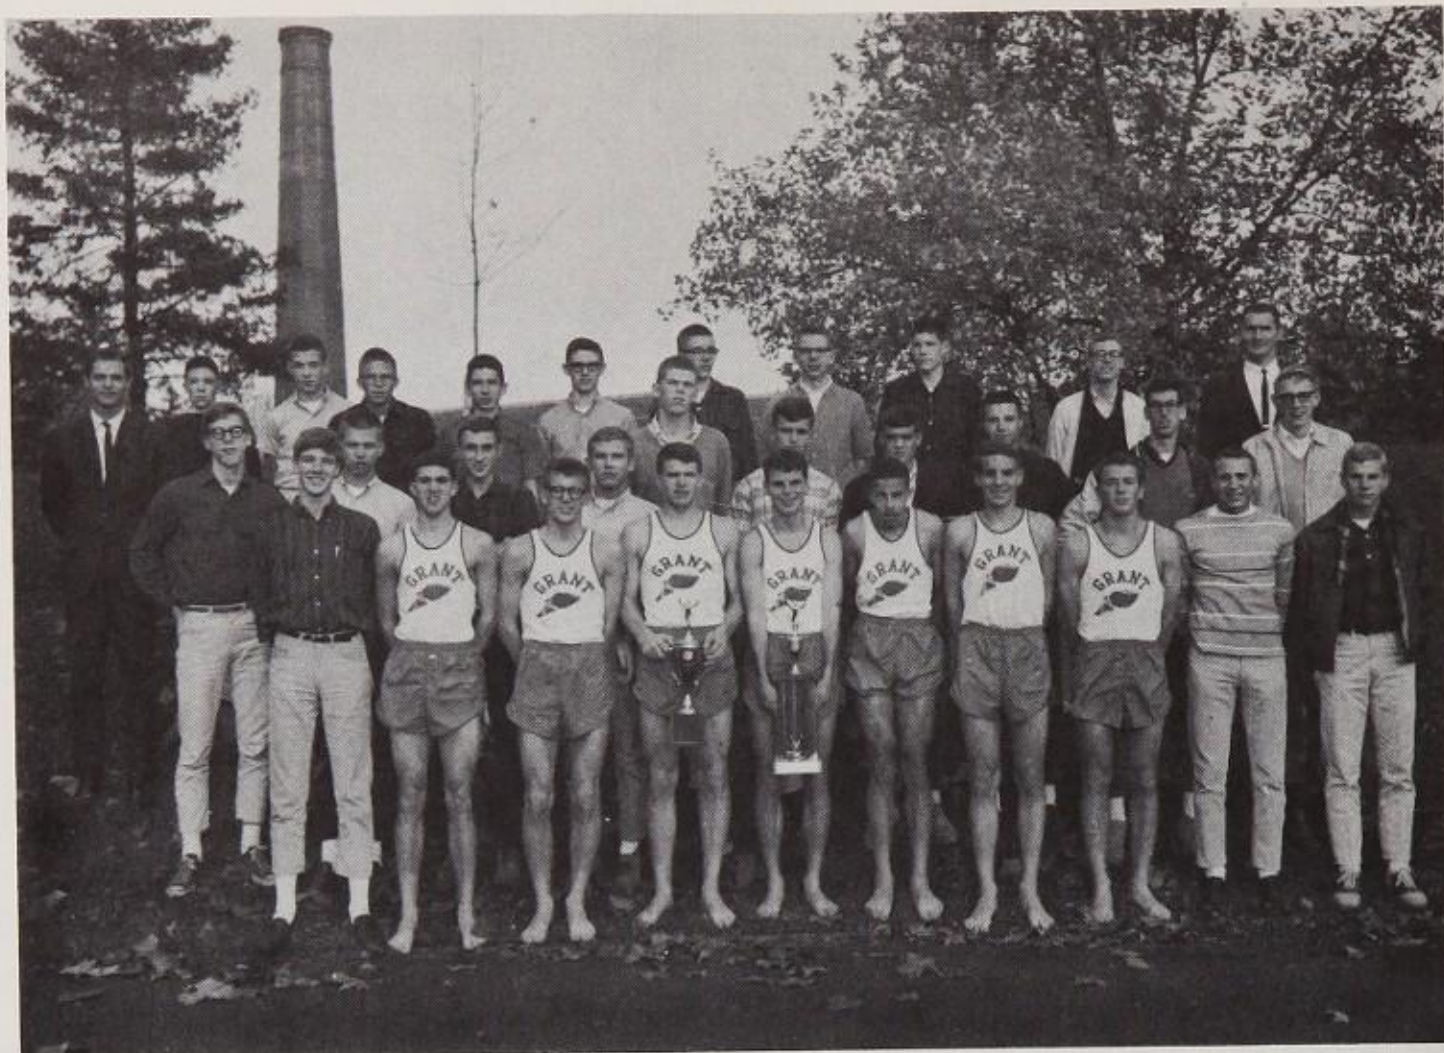

Coach Harrington

The 1964 Grant Junior Varsity Football Team compiled an eight win, no loss, no tie record. This is the fourth J. V. football championship in the past five years that Grant has won. This year's team set a new J. V. scoring record by blitzkrieging the opposition to the tune of 278 points in eight games for an average of over 34 points per game. Scoring more than their share of points were Onia Bates, 75 points, Ray Brooks, 60 points, Bob Ewen, 58 points, with six other members of the team scoring once or more. Bob Ewen was voted by his team mates as the most outstanding ball player of the 1964 season. This was Coach Hennessy's last Grant football team as he takes over the Grid Helm at Benson next year. His record since 1960 at Grant has been 32 wins, 4 losses, and 1 tie.

It was in the dazzling sunshine at Willamette University that the Grant Varsity Cross Country team ran into its second consecutive state championship title. With four Grant runners placing among the first ten to finish, a new scoring record of thirty-five points was set for state competition. This proved to be a tremendous finale for the team this season, having won, a few weeks previous, their third consecutive P. I. L. title.

## p.i.l. champions

## FIRST HALF

The first game of the season was the toughest as the Generals met Jefferson at the Coliseum before Christmas. That victory started the season off with a bang as the G-Men met no serious threats in their next several games. With the exception of the opening minutes, they were in the lead all the way. With eight wins under their belt, the last two games of the half were to be real trials. Wilson being victim number nine, the Generals turned to face high rated Washington. The Colonials, fighting for a second place tie, gave it all they had, but in vain. Consequently, the G-Men rounded out the first half unblemished.

## SECOND HALF

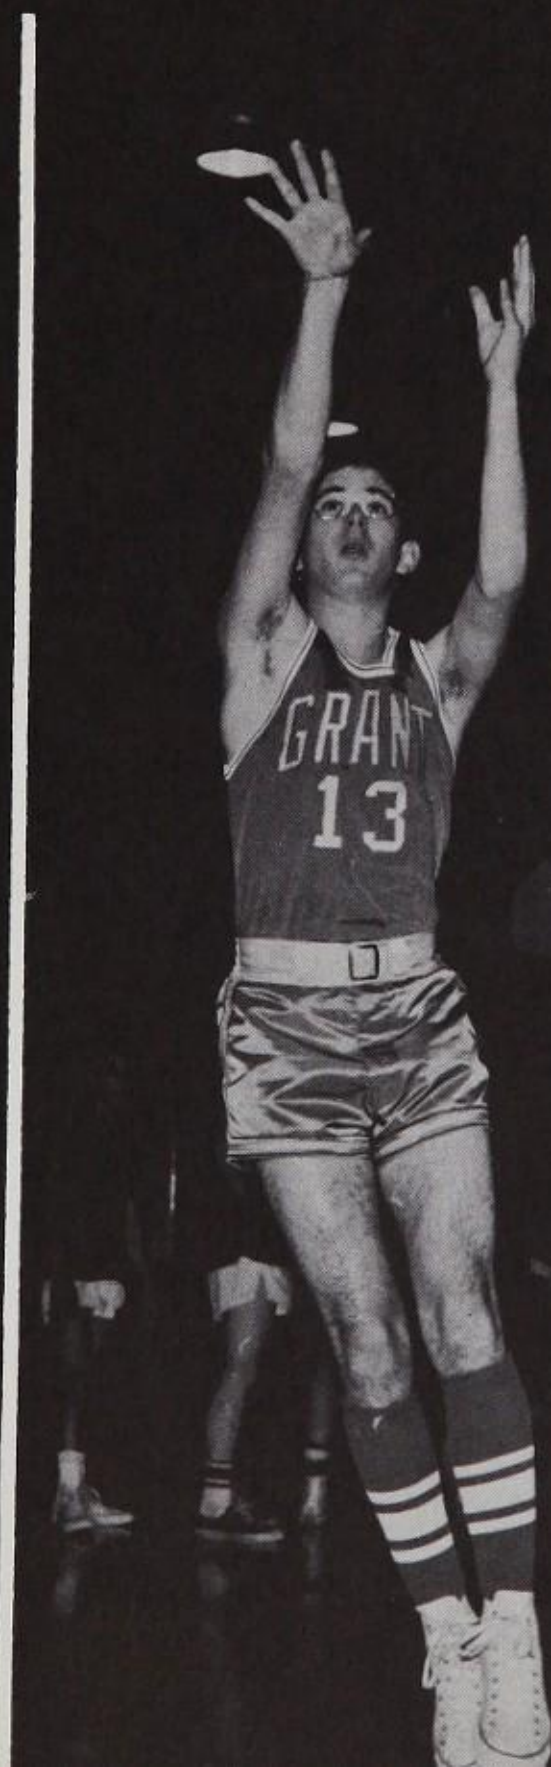

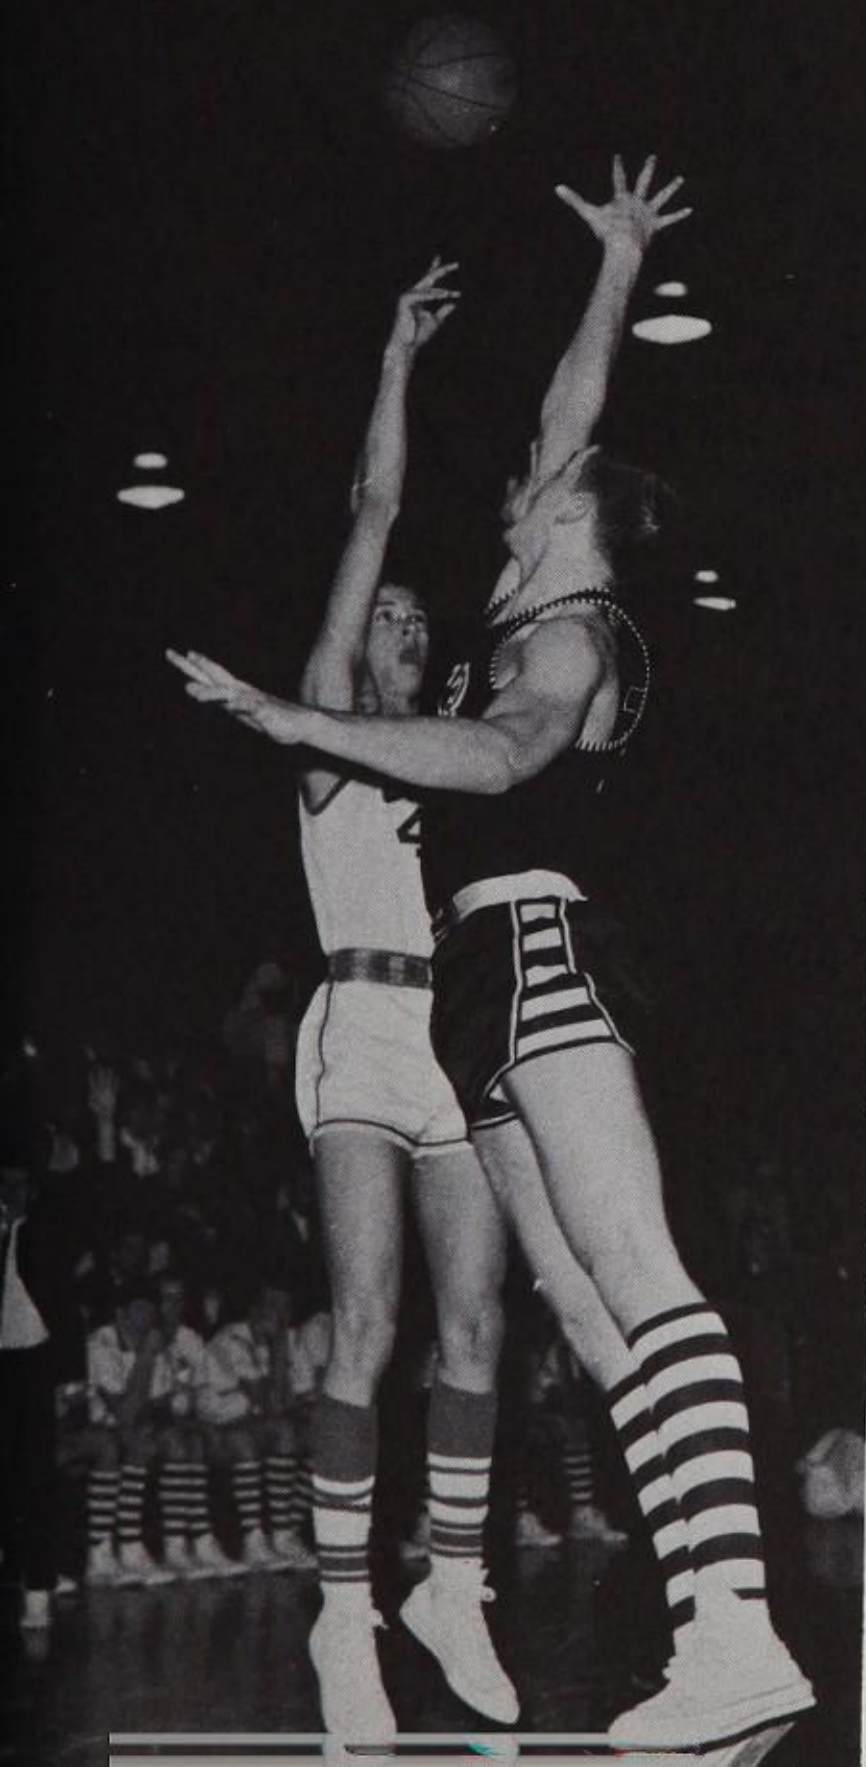

Predictors on the outcome of the second half expected and warned of startling upsets! But the Generals payed no heed and, dumping revenge seeking Jefferson for the second time, battled through for an undefeated season. Beyond a doubt, the going was tougher in the second half than in the first. Marshall was tied at the half and the Cardinals were ahead part of the way, but the G-Men won out in the end. Later in the season Benson appeared victorious until the Generals doused their fire with a basket in the final seconds of the game. In their final PIL appearance, at the Coliseum, they conquered Washington's upset hopes with a fabulous third period come back. A 20 win - no loss record is the story of the city's best.

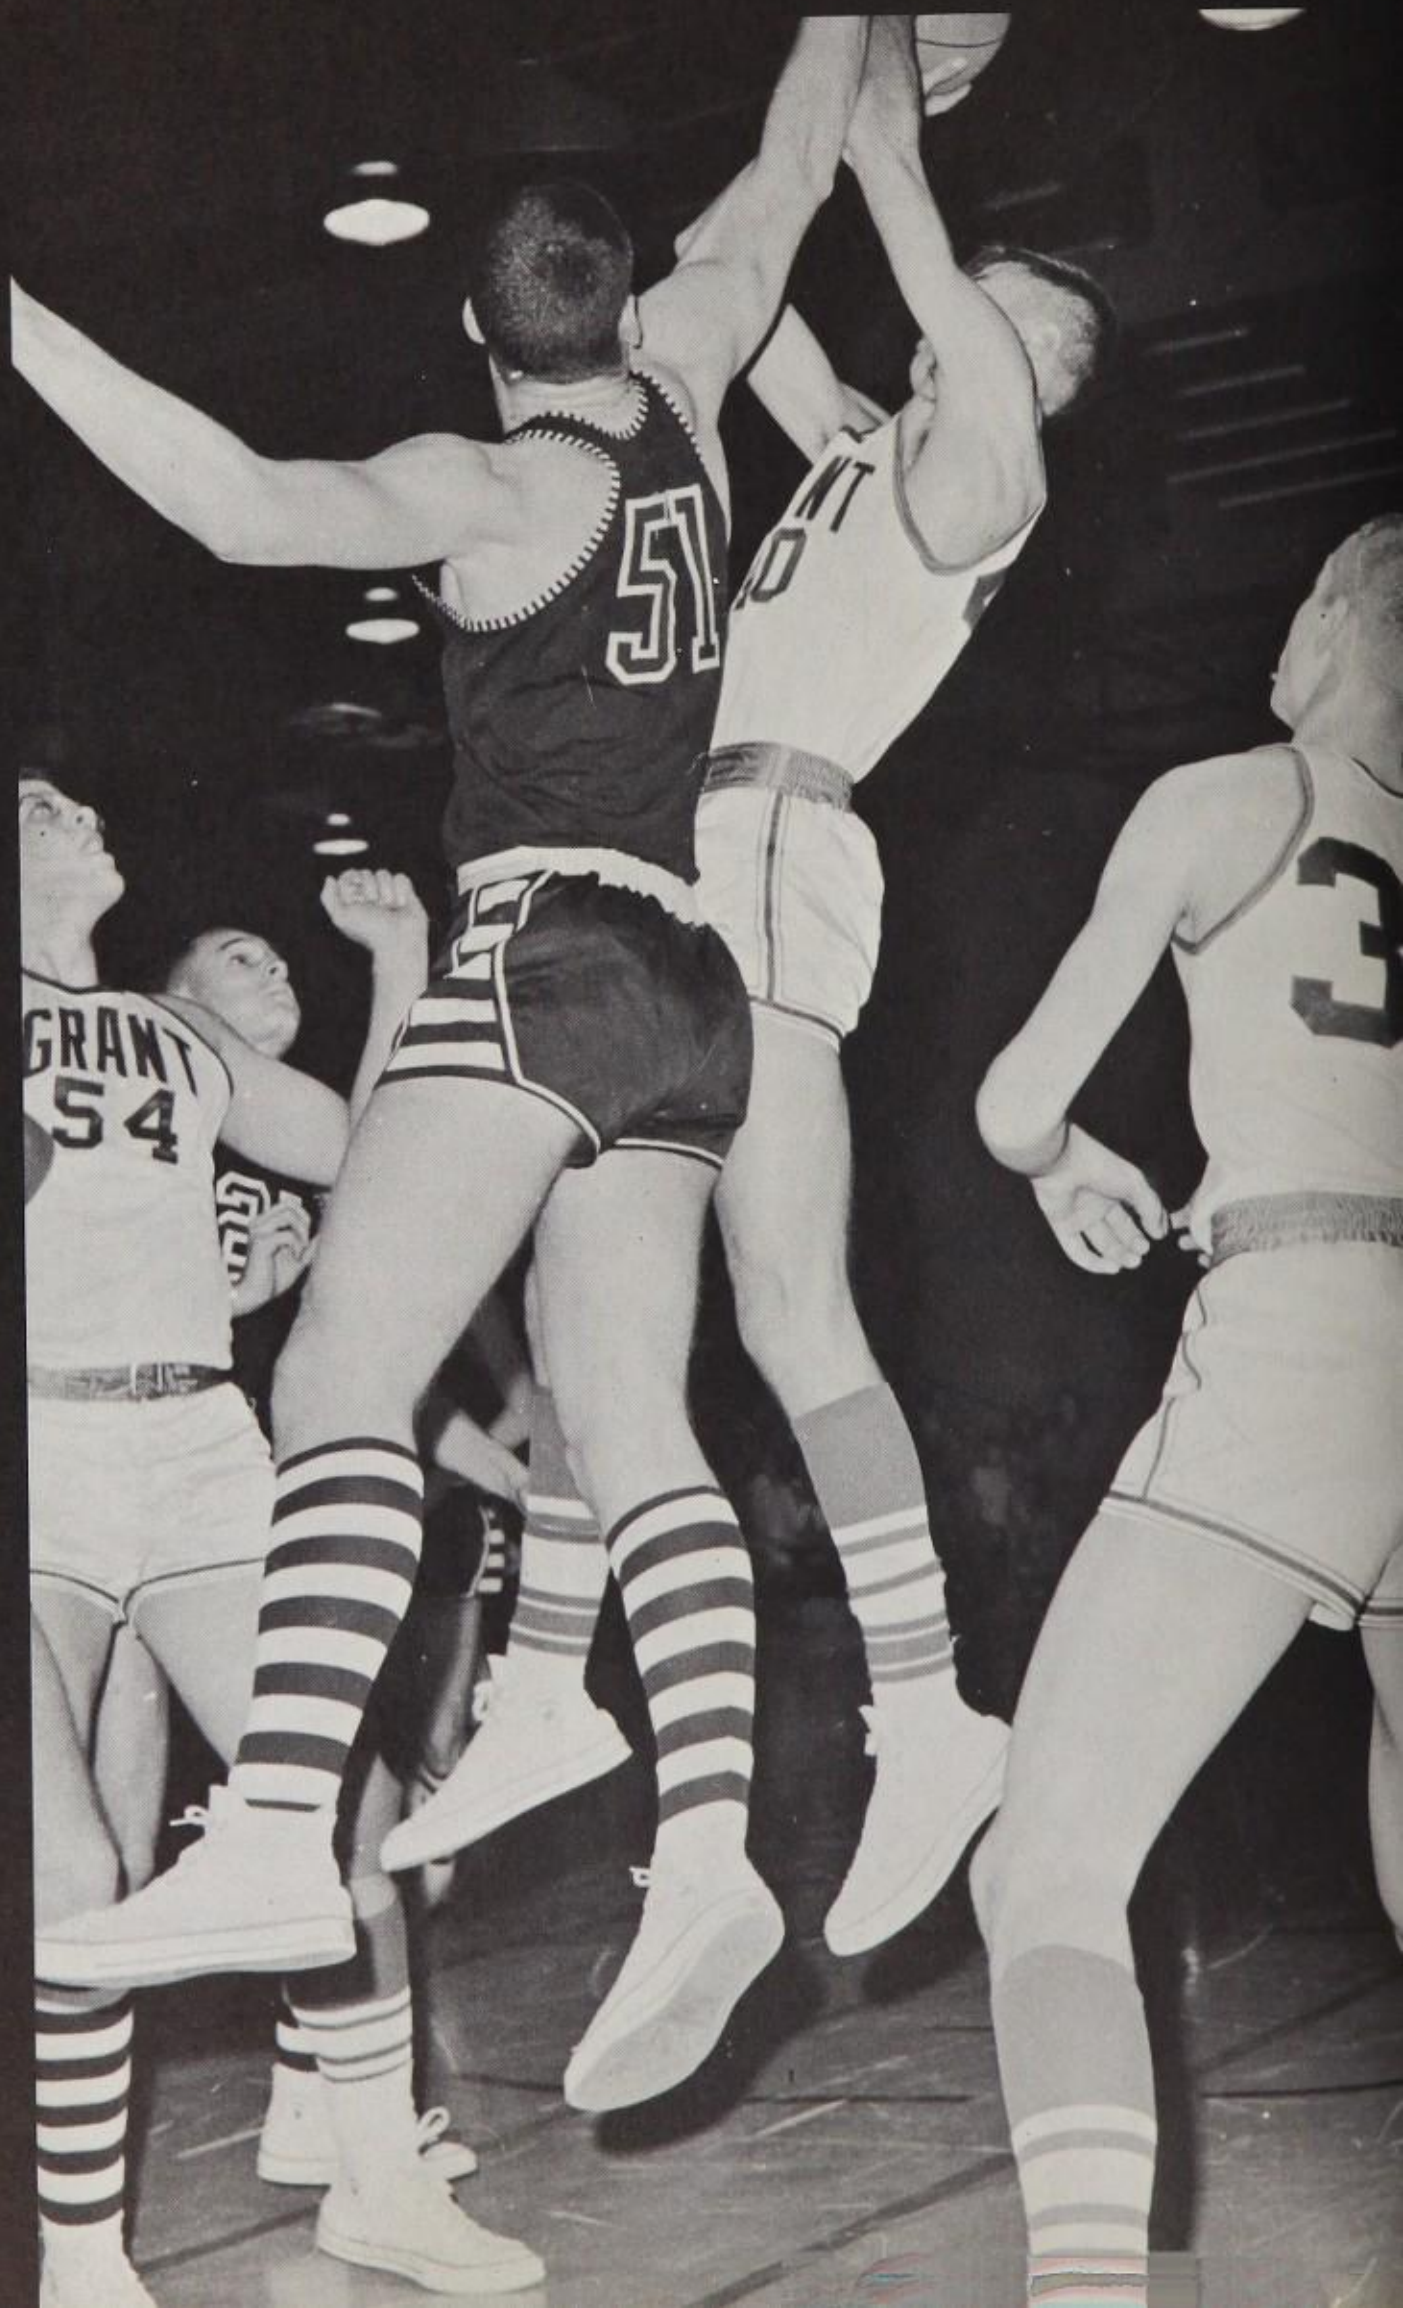

#### STATISTICS

It can be said with surety that this year's basketball team has been one of the greatest in Grant's history. Possessing the highest scorer the school has ever had, the team made a total of 1785 points during the season. With an overall record of 25 wins and two losses, the roundballers averaged 68.6 points per game. Another outstanding accomplishment of the team is their setting of the new PIL scoring record of 99 points against Cleveland. Being undefeated in league play, the Generals shot an average of .456 from the field and an impressive .664 from the foul line. As an overall record through the years at Grant, the class of '65 has won 77 and lost 4 basketball games.

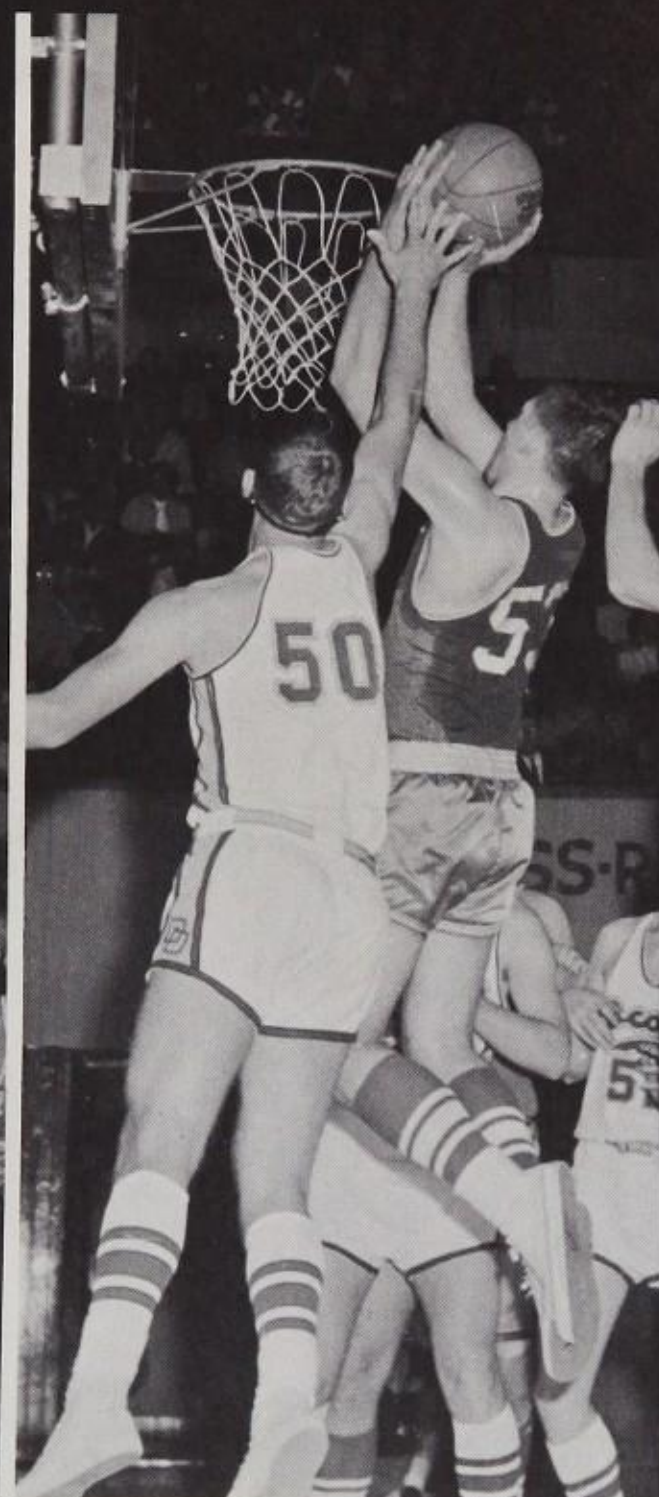

# state tournament

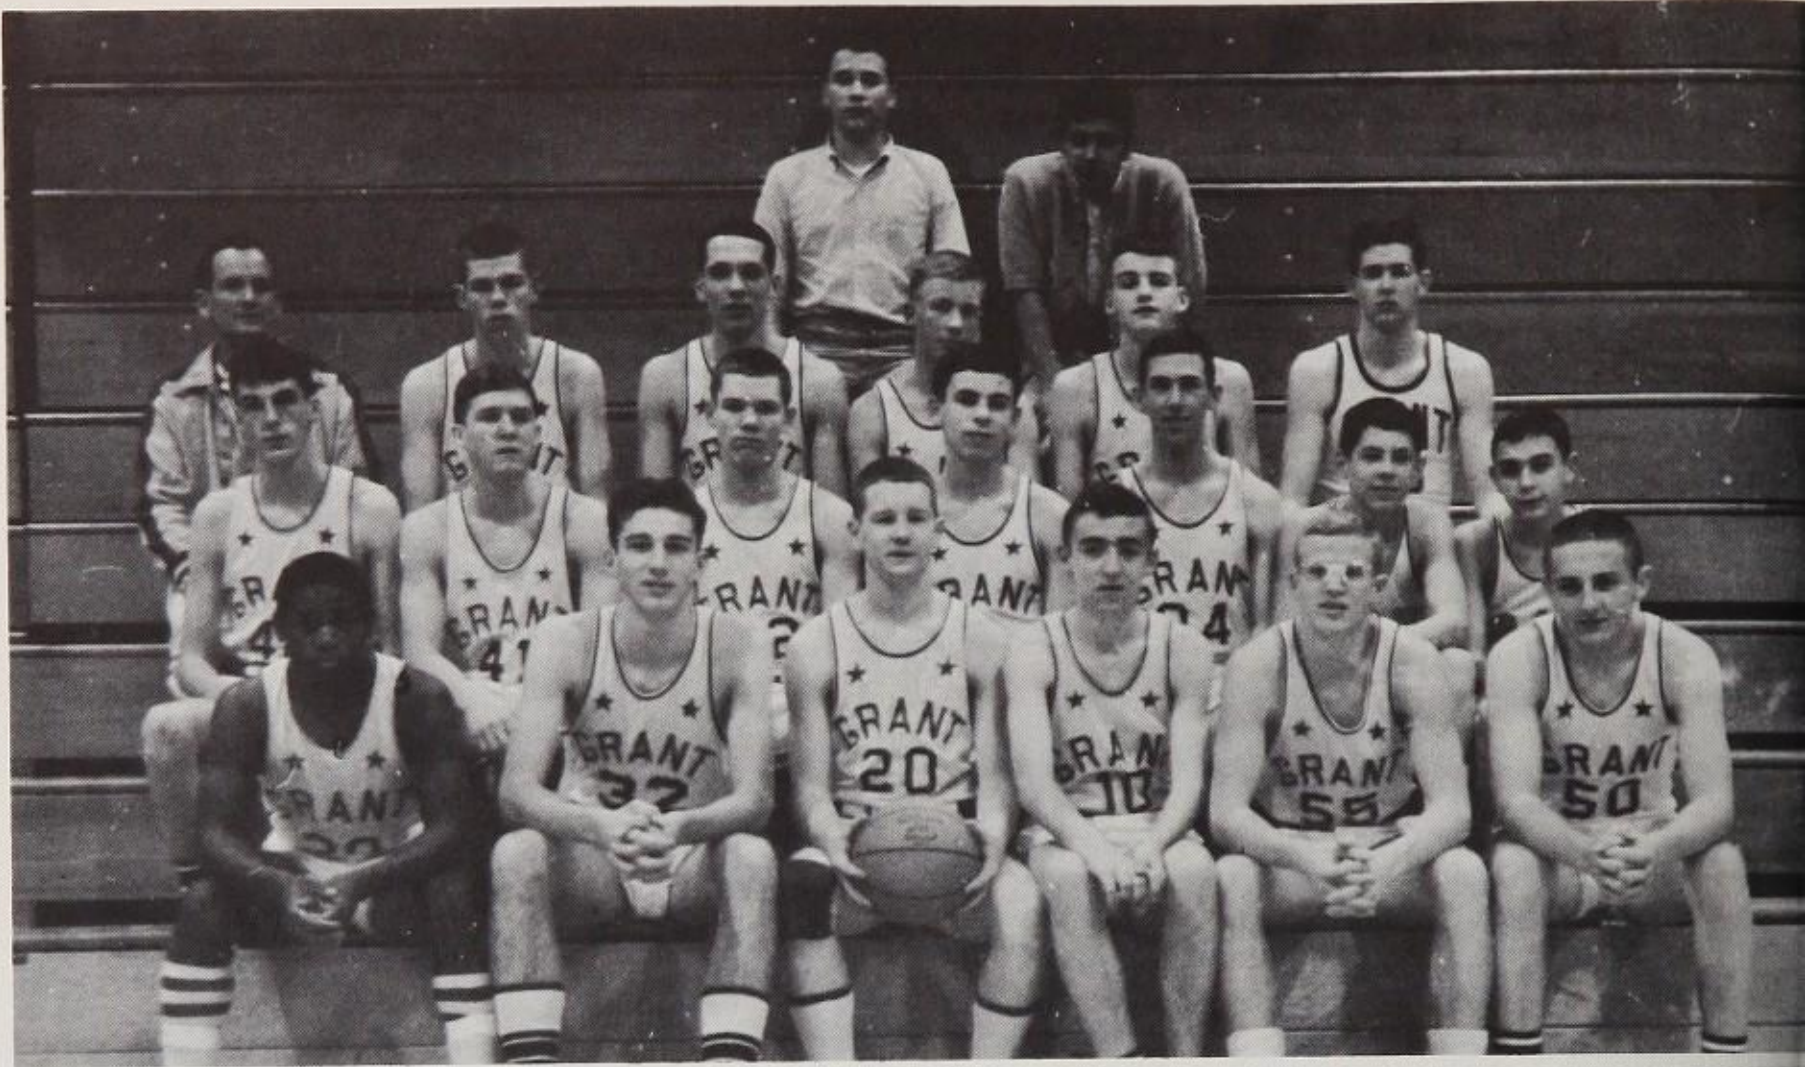

With the final Associated Press Poll rating them first in the state, the Generals became the "team to beat" in the 1965 tournament. This fact, coupled with a slow start in their first game, proved to be fatal to the PIL champions. Having an "off" day on this crucial game cost the Generals their chance for the championship. Losing to David Douglas, 64-59, the G-Men came back to show their strength by dumping Mac-Hi, 80-40. In the third game, the G-Men sent Corvallis home with a 69-57 defeat. To win the Consolation bracket, Grant beat Pendelton, 59-40. Although they only placed fifth, the Generals made an impressive show statistic wise. In average offensive scoring, Grant ranked second with a 66 point average. Defensively, they were scored against the least with an average of 49.5 points in opposition. This, along with a third place sportsmanship award, gave Grant a favorable performance record at the tournament.

# JV & frosh basketball

## JV

FIRST ROW: Ray Brooks, Jim Bisio, Dave Rankin, John Healy, Dave Lawson, Howard Perkin. SECOND ROW: Phil Newland, Steve Shaw, Mike Balkovich, Steve Wecker, Bill Stevens, Smack Haaga, John Melonis. ## AN ANNUAL AFFAIR

Every springtime hundreds of thousands of school and college yearbook pages roll through the presses of Agency Lithograph Co. They are in good company. With them are countless pieces of printed matter for advertising and merchandising—in black and white to full-color for our leading industries. As a printing house, we are youthful in years but rich in fine printing tradition. From start to finish—ideas, copy, layout, master typography and art, expert preparation and brilliant presswork are available to you at Agency Lithograph Co. For prestige printing—let Agency do it for you.
